NEWSLETTER - SEPTEMBER 2010

Track Racing Season is almost Here !

Have you been down to Friday Night track racing at Edwardstown velodrome to watch the fantastic racing or to enjoy the social aspect or intend to have fun racing ? If so, your club needs YOU for the coming 2010 – 2011 season.

We need more people to volunteer their time to help the club run the Friday night racing – if you can help out for either the racing program – assist with nominations prior to racing – help out on the bbq- or help out with new riders setting them up on bikes or showing the ropes of riding the track.

Please put your hand up!

From counting down laps or helping with judging on the finish line, taking race nominations and handing out race numbers South Coast Cycling club needs YOU!

Without volunteers the racing wouldn't happen and we need more volunteers to help spread the load. Oh and you don't need to be a SA Cycling member to help out – anyone can chip in and give a hand!

Please if you are able to help please email the club or Catherine Braithwaite cawaite@bigpond.com

Please volunteer to help out – we would appreciate your help – ie to cook the bbq once a month
