### SOUTH COAST CYCLING

#### SUPPORT SCU IN THERE HUGE CLOSING DOWN SALE

To our valued customers

It is with regret, that after 7 years serving the public, to announce that Standish Cycles Unley will be closing down on the 27<sup>th</sup> of August.

Tony, has received a job offer that is too good to turn down, and as a result, must close down the bike shop that has always been here for our customers over the years.

As a result of our closure, we are having a **HUGE** sale on all stock items. Please come in and support us in our final days, and help out the shop that has been so good to all of you over the years.

We thank all of our customers that have come through the doors to support us. It has been a pleasure for every one of us to come in to the shop, and enjoy every single day that we have worked here.

Please forward this email around to all of your contacts.

We will miss this shop, and all of you.

Kind Regards

James Glasspool, on behalf of Anthony Thomas
