Volunteers Needed

Do you enjoy watching the fantastic racing or enjoy the social aspect of SCC Friday night racing?

If so we need YOU! We need more people to volunteer their time to help SCC run the Friday night racing - if you can help out please put your hand up!

Oh and you don't need to be a SCC member to help out - anyone can chip in and give a hand!

From counting down laps or helping with judging on the finish line or on the nomination desk taking entries we need YOU!

Without volunteers the racing wouldn't happen:)

**If anyone can help out at
SCC Interclub
Championships – please
see Catherine or email
cawite@bigpond.com**

UPFRONT BIKES 

**BUZZ
MASSAGE**

BUZZ MASSAGE

Get your legs in tip top shape in preparation for the Masters State Track Cycling Championships.
Sports Leg Massage 30min - \$35
Buzz Massage - call Reneé to make appt 0402 045 237

REMEMBER – Interclub Championships Monday 12 March 10am start – helpers needed

Current laws in Australia state that you have to have a bell on our bike

Traffic regulations require a rider to have a bell fitted. The penalty for riding a bicycle without a bell is \$50. The penalty refers specifically to a bell. The old definition of an audible warning device no longer applies - so you can't argue that your voice meets the regulations.

A bicycle for normal road use must be sold with 'an efficient bell or some other suitable audible warning device'.

This standard excludes second hand bikes, tandems, folding bikes, track racing bikes, one of a kind bicycles, power assisted bicycles and the smaller children's bicycles.

The link (right) 'ACCC Pedal Bike Standards' contains a guide to the Australian Standard AS/NZS 1927: 1998 Pedal Bicycles - Safety Requirements.

The standards are enforced on wholesalers and retailers through the ACCC using the provisions of the Trade Practices Act 1974.
