## Temporary changes to the Coast to Vines Rail Trail

**Current detour arrangements for the Coast to Vines Rail Trail put in place in January 2012 will need to remain in place until late September 2012.**

The detour ensures that cyclists and pedestrians are not in the vicinity of adjacent construction works.

As outlined on the plan, the detour follows Railway Road, M<sup>c</sup>Millan Road, Seaford Road and Grand Boulevard. It then connects to Griffiths Drive.

The detoured section of the path is off-road. On-site signage outlining these changes is in place along the route to advise of the changes.
