

South Coast Cycling club recognises volunteers are the life-blood of clubs and without the ongoing support and dedication of key volunteers, grass roots cycling will not be possible. The call is out for club members who are able to help at the Edwardstown Track racing to register via the club web page [southcoastcycling.org.au](http://southcoastcycling.org.au) > Edwardstown Track > Volunteering or seek out a club member at the track on a Friday night.

2013-2014 SUMMER TRACK

OCTOBER 11, 2013

## Welcome to 2013-2014 Season

## Calendar

On behalf of the South Coast Cycling Club, I welcome you all to another season of Track Cycling at Edwardstown. The season runs from Oct 11 through to the 28<sup>th</sup> March, so you will have plenty of opportunities to race and improve your cycling skills. The events will be varied and will provide something for everyone as you try to better your results or just want to enjoy the social occasion through the summer.

As you are aware, the events do not occur without a team of dedicated volunteers, so if you can help out for a night or two, just let one of the SCC members know.

Have fun, be safe and enjoy Edwardstown Velodrome Friday Nights.
