Rider Profile: Richard Reichelt

Age: 41 in April

Occupation:

Manager at Shell Oil Company. Part time Macini Bikes Australia lackey.

What got you into cycling?

At about 13 years old, my brother was racing and winning lots of money and trophies as a kid. I was playing football, tennis, swimming, you name it and was getting a crappy trophy at the end of the year. Thought I'd get in on the action my brother was enjoying. Continued with all the other sports but loved my cycling ever since.

What bike(s) do you ride?

Whatever Brad from Macini says I can ride!! I used to ride a Teschner on the track and Colnago on the road but having a little bit to do with Macini now it's great to support a brand that has been part of cycling in South Australia for longer than I've been alive and locally owned. I happen to know these bikes very well and couldn't be happier.

What is your dream bike?

Whatever Bike that beats Mick Young's. Usually a candle apple coloured Macini does the trick.
(Ed. Candy apple?)

How long have you been racing?

Since dinosaurs roamed around Edwardstown velodrome.

Favourite Cyclist:

Mick Young in a Victorian skinsuit.

Favourite food: Seafood

Favourite cycling event as a spectator:

Any kids handicap (go you little trackies!!), followed by Olympic or World Championship Keirin final.

Favourite cycling event as a participant:

Anything where I beat Mick Young.

Favourite place to ride:

Waterfall Gully and anything with two straights and a curved bank at each end.

What's your cycling ambition?

To actually race a season fit for once. I balance time between work, 2 little kids, coaching two junior soccer teams, renovating a house and selling a bike or two for Macini. Every now and then I actually get to race or train which I love.

Do you have a training tip to share?

Pizza and red wine are not performance enhancing and don't sit on Mick's wheel. He's too little.

Thank you Richard for providing us with your profile.
