Christmas Hamper fundraising

Thanks to everyone who purchased raffle tickets for the Christmas Hamper on December 19.

We raised \$172.00 which is amazing! Thanks to Catherine and SCC committee members for helping out with goodies for the prizes, much appreciated, and to Catherine for her ongoing support of our fundraising efforts.

All money raised went to World Bicycle Relief.

We are continuing the fundraising for the rest of the season; here's the link to Tessa's fundraising page:

Thanks to those who have donated already.
