# Important notice from South Coast Cycling

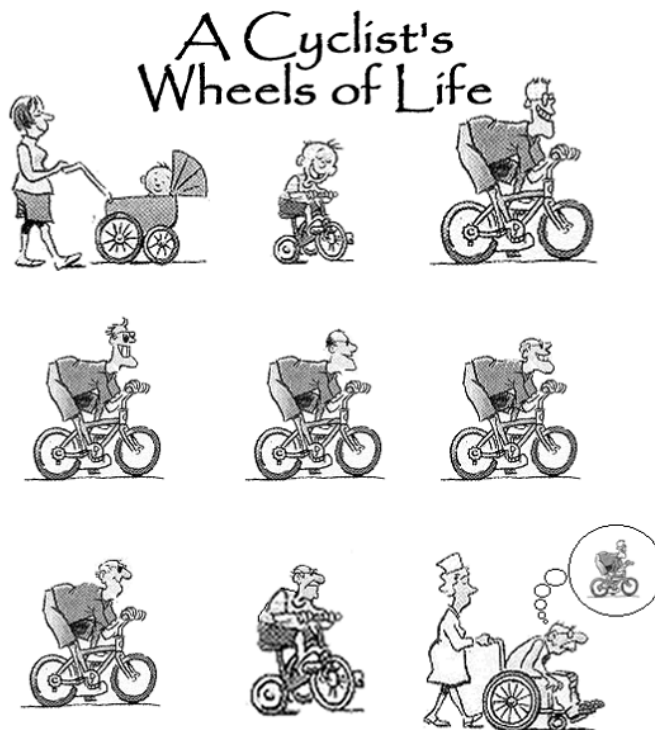

## Re: Juniors riding in the car park

South Coast Cycling conducts racing at Edwardstown and during racing the club is in charge of the "field of play" which is the track, and track bikes should only be used on the oval track.

If anyone is riding outside of the oval, including the car park, it then becomes their risk. SCC cannot control areas outside of the field of play on Friday night racing.

Parents, please ensure your children are supervised at all times.

Thank you, SCC.
