SCC has outsourced the E-town BBQ to another volunteer sporting organisation for the 2015-2016 season, **Arista Marion Korfball Club**, which is based at the Marion Sports Centre.

They play in the Korfball South Australia State League, and currently have A, B and C grade senior teams.

What is Korfball?

Wikipedia defines Korfball as

...a mixed gender ball sport, with similarities to netball and basketball. It is played by two teams of eight players with four females and four males in each team. The objective is to throw a ball through a bottomless basket that is mounted on a 3.5 m high pole.

Korfball is a great sport for the whole family to get involved in. They are always looking for new players, with or without experience. If you are interested in playing, please contact them via their website <http://arista.korfball.org.au/>, or Facebook page.

And remember, the BBQ cooks and servers are volunteers who give up their time to raise funds for their sporting club. A "thank you" and simple recognition of efforts goes a long way to encourage and reward these volunteers.
