About Cycling Australia memberships

As we rapidly head towards the end of the calendar year, it's time to think about renewing your CA memberships. Categories have changed slightly, and if you want to race at E-town, you need a Racing licence. Benefits of a racing licence include public liability & personal accident insurance, bike & travel insurance. For more information on insurance cover that is part of your licence, go to the CA website:

<http://membership.cycling.org.au/Insurance>.

Kids aged 12 and under can race with the Kids Licence.

Safety at the track is everyone's responsibility, even when you're not riding.

Parents are reminded to teach their children the importance of looking for cyclists before they cross the track.

We don't want any pedestrian vs. cyclist incidents.
