2015 City of Holdfast Bay Criterium Championships and Straight Line Sprints

Once again we are excited to announce the Boxing Day Criteriums and Straight Line Sprints are on again at Glenelg this year.

This event has lots of history going way back to 1980 where the Men's Championship Race was dominated by Alan Gill. Stuart O'Grady and in latter years Chris Jongewaard have held the winner's trophy aloft a number of times. The Women's Race also has lots of household names in Women's Cycling such as Alexis Rhodes, with Tiffany Cromwell having a great time of it in recent years.

There is a race for everyone so why not nominate and get involved. We reckon this race is just about the best one on the CSA Calendar so please support local racing and get on it.
