

Donate your old BMX bike to kids in the APY Lands

(taken from BikeSA newsletter)

Bikes Palya is an exciting bike program run by Bicycle SA.

Since 2014 it has:

- worked with over 270 youth and 50 adults across 9 APY Lands communities in bike safety and mechanical workshops
- gifted 100 bikes to 8 schools to use in physical education and as attendance incentives
- facilitated the completed construction of one community BMX race track.

With the year's focus set on more tracks, **quality BMX bikes are desperately needed for the gifting program**, to be used in rewarding participation of hard-to-reach youths, increasing their engagement with school and support services.

You can help by donating unwanted good quality BMX bikes to 53 Carrington Street. For more details call Bike SA on 8168 9999.
