

Thursday Jan 26th 2017... **Australia Day Track Carnival**

Hope you all have a great Australia day – racing, spectating, bbq-ing, volunteering & presentations – there is lots going on. Many hands make light work so if you are able – please help with setup & pack up, gate marshaling & lots of other jobs going on. We can get into the footy clubrooms that much quicker for presentations & bragging about how good we all were if we can get packed up quickly.

Our Australia Day Raffle is on today – please dig deep to support junior racing as always – some great prizes in there. Today's feature events are Invitational Flying 200m & Invitation Madison & Australia Day Handicap race.

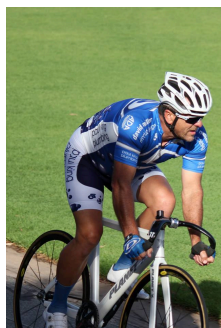

Handicap Races – we need lots of holders – those holding juniors should have the necessary clearance for working with children – if in doubt – don't volunteer to do for the juniors please. "Riders Ready" will be the call over the microphone & then the whistle or horn means your holder can give you a push start but no more than 1 step or 2 – that's cheating !!!

Motor Pacing – maybe you are unaware but at Etown it's half lap turns – that's how we roll – and make sure to bring the rider behind you up to the motor bike before peeling off – it's etiquette!!!

Riders please be ready to get onto the track for your race as quickly as possible & get off the track straight away when your race is done – that means no multiple laps to wind down – please do this to ensure we are on schedule – lots to get through.

City of Marion Mayor Kris Hanna will be in attendance in the morning to open the event and we have many great sponsors supporting the event.
