SCC steps up to the plate again – Cyclo-Sportif is on at The Range this Sunday March 26th

Due to road works issues at Angle Vale - SCC has moved it's Cyclo-Sportif Round from April 2nd to March 26th at The Range. If you are interested in putting a team together get cracking & rock up on the day or nominate on the CSA website. This means SCC will not host round 4 at Snapper Point as that course is unavailable on that day.

There is a free BBQ for riders with 2, 3 and 4 lap options available. Hope to see you there. Weather is looking great with 32C expected. For more info look at the CSA web page.

SCC E'Town Season Awards/Consistency Points - Points below are up to date as of March 17th (except it includes only start points from Interclub – NO Placing points - It's a mystery round). Note that there are no points up for grabs next week which is our last night of the season. So you want points? Better get some tonight!!!
