

Tonight's Event – Friday November 3rd... Paul King Plumbing Series – Round 4

November already – this season is really flying. With today's temperature expected to reach 19C – it's cloudy. Winds south to southeasterly 25 to 35 km/h. Yes that means a head wind to the finish line – some things never change.

Australia Day Track 2018 As mentioned January track at e'town is off the calendar so Mt Gambier CC has been very supportive & allowed us to run our traditional Australia Day Track event at their velodrome on Friday January 26th 2018. SCC is looking to hire a bus to leave on the morning of the 26th for an afternoon start time at MGCC headquarters. If you are interested in travelling on the bus let us know ASAP via email@southcoastcycling.org.au.

With that it's going to mean an overnight stay & drive back on the Saturday. It is being considered that SCC/MGCC run an event on the Saturday morning also. Then we drive home on Saturday afternoon. Lots to organize – who wants to ride on the bus, do we make a group booking for accommodation etc. etc. We will put lots of information on our webpage, Facebook page & twitter to let everyone know the plan & ask for your thoughts. For the facebook friends reading this we have created an event on our facebook page– so let us know your thoughts.

NOMS ARE OPEN – GO TO OUR WEB PAGE – EARLY NOMINATIONS ARE ENCOURAGED & CHEAPER THAN DOING IT LATER ON. Please help us to know as early as possible if you are supporting the event. With lots of things to plan – you would be helping the loyal band of hard working committee members in a big way.

City of Mount Gambier - have most generously come on board as a sponsor – but more sponsors are being sought - please contact Catherine if you can help or have any suggestions.
