

Tonight's Event – Friday Nov 17th... SCC Series – Round 2

Well how good was it seeing this bloke back out the track at E'town last week? Pretty cool we reckon – welcome back to racing Chris Spence (the King of Bling).

We like to keep racing interesting – if you have an idea for a race you would like to do why not mention it. Last week we did a Madison TT for teams of 2 that was well received. Not all suggestions will be good for everyone – there's always alternative races we can schedule. You might be an enduro who wants to do longer scratch races or a sprinter who wants a shorter heart starter – we don't know unless you speak up.

Just another month of racing & training to go before we lose the track until February 2018 due to the track surface upgrade & new fencing also. Exciting times ahead.

Australia Day Track 2018 Surely you know this by now – we are going to Mt Gambier - Friday January 26th 2018. SCC is looking to hire a bus to leave on the morning of the 26th for an afternoon start time at MGCC headquarters. If you are interested in travelling on the bus let us know ASAP via email@southcoastcycling.org.au. There is a **KYTONS FUNDRAISER** in progress – if you haven't got a sheet & want to help out grab one from our website (will be there in next 24 hours) or look out for one at racing. Proceeds will go towards the Australia Day Track Carnival – to help cover all the costs that really add up when putting on such an event. If you like Kyttons please support the cause – forms need to be in by 22/11/2017 for the goodies to be ready for pickup on 1/12/2017. The City of Mount Gambier - have most generously come on board as a sponsor – but more sponsors are being sought - please contact Catherine if you can help or have any suggestions.

Track Training Monday nights from 5.00-6.30pm for novices & inexperienced riders Wednesday nights from 6.00-7.30pm (5.30pm warm ups) for seniors & invited juniors. See webpage for more info on training here...Look under the "Track Info" menu/link on our website for more info on track training in 2017/18. Wednesday night on the 15th November we had a night of Madison training for those who were inclined & another separate session for the sprinters. Good fun all round – good atmosphere – good training is what these sessions are all about. So come join in soon if you haven't been to one of these sessions.

BIG Congratulations to Stephanie Morton – a South Coast member doing well who has raced at E'town many times in earlier days whilst learning her craft. Steph won 2 medals last weekend in Round 1 of the current UCI Track World Cup competition from the two events she competed! In Poland, Steph powered to a Silver in the Sprint competition (pictures below which, by the way, show that there's no single body size for track sprinting) and kept her cool in a tumultuous final to take Bronze.
