

Tonight's Event – Friday Feb 2nd... **SCC Series continued...**

Home fresh from a great weekend of racing in Mt Gambier, SCC would like to thank all officials, volunteers, riders & spectators who made the journey down to the South East last weekend. It was a great couple of days racing & there is no doubt the Mt Gambier folks appreciated the support that riders also gave for the event they ran on January 27th. Great track, friendly people & surroundings and competitive racing made it a real winner. We all went to one of the local cafes for tea on the Saturday night which was fun & allowed everyone to brag about how good they were – good times !!!

Many thanks to all who contributed - Cathy went way beyond the call of duty in organizing so much for this event & Ken doing the results & timing, Anthony on the mic, David for handicapping, Steve on the motor bike pacing us around & lots of others who chipped in – **THANK YOU ALL**. Special thanks to our sponsors (in no particular order) - City of Mt Gambier, Paul King Plumbing, Asset Engineering, Black Dog Fabrication, MT Gambier CC, Payneham CC & South Coast CC

Upcoming Events Wrap...Friday Nights at E'Town are go

Now that the holiday break, TDU and Australia Day is done – all local track focus for us comes back to home base at E'Town. With the development of the track & surrounds please remember that there is likely to be restricted parking & the spectator area is out of bounds for a while. So we suggest you bring a chair – just another thing to add to your cycling kit for now.

We will be racing at E'Town every week up to & including March 23rd which is the last Friday night track for the season. Also amongst that is the world famous "Adelaide Cup On Wheels" event on Monday March 12th.

Also another event that we all love is the Whyalla CC annual Track Carnival on Feb 10th. For those that haven't been to Whyalla for this event do yourself a favor – the locals are the friendliest people who love the support when Adelaide based riders make the journey.

We also must highlight that they do the best BBQ Chicken on the planet at the track. The locals come out & cheer on their riders so when the sun goes down, the lights are on & the atmosphere is fantastic.

Whyalla CC are also hosting the CSA State Junior Criterium Championships the next day on Sunday Feb 11th.

The 2 Whyalla events require your nominations to be done online by February 3rd so be quick if you aren't in there yet.

"No need to thank us for racing, the kids had a ball. They can't wait for the next race. Thank you very much for organising it. It was well run which helped make it a great day for us."

"Catherine, it was great having the South Coast clan come to the Mount."

Results – lots of racing lots of results too many to show them all here but have a look on the club website for all the details.

As always the major events were Wheelraces for Seniors over 6 laps & the Junior Wheelraces for U11, U13, Junior Men & Junior Women.

Winners in each of these were Nicholas Fountas (SCC), Codi Winter (CDCC), Nikki Menzel, Ryan Menzel & Dean Menzel (Menzel's all came over from Hamilton CC & they definitely cleaned up in the wheelraces).
