

Tonight's Event – Friday Feb 9th... **SCC Series continued...**

Hydrate – hydrate – hydrate – yes it will be hot tonight but as always events will be modified to make sure everyone is looked after.

Upcoming Events Wrap...Friday Nights at E'Town are go

Reminder: With the development of the track & surrounds please remember that there is likely to be restricted parking & the spectator area is out of bounds for a while. So we suggest you bring a chair – just another thing to add to your cycling kit for now.

We will be racing at E'Town every week up to & including March 23rd which is the last Friday night track for the season. Also amongst that is the world famous "Adelaide Cup On Wheels" event on Monday March 12th. Nominations are now open for Adelaide Cup on Wheels as a part of our **SCC Track Carnival @ E'town on Monday 12 March 2018 – Start 10 am - Seniors \$30, Juniors \$20, Trackies \$10 - Nomination close 6 March**

A few words about nominating at the last minute (or trying to nominate after noms have closed).

Cyclists have more time to enter events these days but volunteer club organisers need to know our start numbers early so we can plan the best possible program for riders, officials and spectators.

Before entering an event we hear the excuses; I'll wait to see who else has entered, I wait to make sure I am not injured or I don't know if I will need to work that day. We at SCC are more than reasonable that if enter and then for work reasons you are not able race and you contact us as soon as you know that you will not be racing that we would consider a refund of your entry fee.

Courses - Cycling South Australia is seeking interested parties who would like to skill up & enroll in some 2018 Coaching Courses on offer. The **"Road & Track Skills Coaching Course"** & **"Level 1 Road and Track Coaching Course"** are a great way to get your coaching ambitions up & running.

Track Bikes - Many thanks to whoever donated the 2 track bikes to SCC recently – we are always on the lookout for track bikes for to help out to grow the track cycling community amongst the CA membership. You just have to have a look at the good numbers we are getting on Monday nights – track cycling is on the move & we have lots of juniors & lots of enquiries about getting started in the sport we all love.

Track Nationals - Congratulations to the many South Aussies who recently went to Track Nationals & performed magnificently. Not only SCC riders but to all riders from various clubs who did S.A. proud.
