Spotlight on Volunteers – Liz & Mick Young

Each week we would like to highlight the valuable input of volunteers - read this for some info of what people are doing & giving to the sport we all love. Racing doesn't just happen without the hard work of many volunteers. Liz & Mick Young have done lots for cycling at E'town over the years. You have no doubt seen Liz wandering around the track with her camera taking shots from all angles of the action. Then before you know it Liz & Mick have worked their way through dozens of photos & uploaded the photos for all to see on Facebook. Most definitely this is not a 5 minute job. Liz also oversees sign-on each night – don't take your race number home or Liz will be after you!!! In case you don't know have a look at Mick's facebook page to keep up to date with the latest set of photos. Mick is more than happy for you to friend request & then you won't miss those pics. Thanks Liz & Mick we appreciate your efforts.

Volunteers Needed at the moment ... Training nights - Monday sign on , Wednesday sign on AND Racing Fridays – lap counter, gate operator, bbq – see Catherine.
