Spotlight on Volunteers – Ken Gooding

Continuing with the focus on the hard working people who do such much for our sport. Ken is the bean counter for all things financial in the running of SCC & has been for a long time. Being Treasurer is not the only thing – recording results at the track, on road events and criteriums – if there's an event on then Ken is probably there, giving up his own time for the benefit of others. The results for Friday nights are done & dusted by the time you have driven your car out of the car park. One of the most knowledgeable cycling people around – Ken knows our sport inside out. Thanks for all you do for our beautiful sport Ken. Volunteers are the essence of sporting clubs – so if you get a chance put your hand up to chip in – be like Ken & get on board.
