Boxing Day Criteriums & Straight Line Sprints – Glenelg December 26th 2019

Our world famous Boxing Day tradition is on again... entryboss is open & ready for your nomination – do us a favor, nominate early and get your friends on board. We used to say “near The Buffalo” but that isn't there anymore! This event has been going since 1980 so history is building & there have been many Australian champions, TDU riders & local legends that race this event. We love Glenelg – one of the best days on our cycling calendar.

Mt Gambier Track Event

New dates announced – due to a clash on the cycling calendar in the South East ...

SCC and MGCC are coming together to co host a two day track Carnival on the 8th and 9th of February at the Blue Lake Sports park, Mt Gambier

Racing will be Saturday afternoon and Sunday morning, plenty of time to travel down the morning before and head home Sunday afternoon.

Entry details will be up on Entryboss soon, so don't miss your chance to enjoy a weekend away with some great racing.

<< Thank you to Turn 8 Photography for this picture of the action from last years Mt Gambier 2 day event.

Studies have shown that riding a bicycle everyday makes you more awesome than the general population.
