The beautiful Fleurieu Peninsula in the Southern Vales region in South Australia offers some of the best cycling in Australia and it is alive with spectators and the world's best cyclists each year during the Tour Down Under. This excitement and atmosphere will be replicated by our junior cyclists during the 2024 South Coast Cycling Junior Tour.

The tour will be based in the Southern Vales region amongst McLaren Vales Vineyards, repeating a number of the courses used in last year's race, along with a new Penny's Hill hillclimb time trial to decide the overall GC. The district has fantastic facilities and plenty for the supporting families to do before and after the racing.

This event, in its 55th year, has a strong history of seeing junior cyclists competing at the highest level in conditions and courses similar to that of the Elite World Tour cyclists. This year has been modelled to give all the juniors a chance to shine with 2 x Road stages, Time trial, and a Hill Climb for

each U17 & 15 age and gender groups, U13 will compete on Day 1 only doing the Road & Time trial, with U19 this year once again on for Sunday's two stages.

This Junior Tour has been a stepping stone for many cyclists who have progressed to represent Australia at the Olympics, Commonwealth Games and World Championships. Some have joined an UCI World Tour Team and raced in The Tour de France. These riders form an impressive list of champions and include Alexandra Manly, Annette Edmondson, Alex Edmondson, Pat Jonker, Miles Scotson, Brett Aitken, Stuart O'Grady and Callum Scotson to name a few.

Previous Winners:

UNDER 17 MEN

1968&9	D. ADAMS	PORT PIRIE
1970	P. CRAWFORD	HOLDFAST
1971	M. JOSE	WHYALLA
1972	S. NEDLECUTTA	KILKENNY
1973	M. DAWSON	HOLDFAST
1974	J. HOLAND	KILKENNY
1975	F. PARKER	KILKENNY

Housekeeping & Safety

Safety

Safety of participants is the most important priority in the planning and delivery of this event. Riding on open roads represent one of the greatest risks to our riders. Development of a suitable Traffic Management Plan (TMP) is key aspect of this, but more importantly is the implementation of traffic controls which aligns with this plan. South Coast Cycling takes this responsibility very seriously and has made significant investment in signage, equipment and training. Please understand that the race entry fees are reflective of the cost to implement controls consistent with the TMP.

Whilst race organisation will take all measures to ensure that the courses are safe, please make an effort to ensure that you are familiar with the courses prior to the race and always ride to the conditions on the day. All stages will take place on open roads, so will be subject to all relevant road laws. Please always be mindful of other road users and local residents.

We take very seriously the behaviour of all competitors while racing on open roads, as any incidents can have a direct impact on the feasibility of all future events that use open roads. Commissaires will be strongly encouraged by race organisers to closely monitor- and if necessary, penalise- any unsafe or inconsiderate behaviour. Any penalties or disqualifications imposed by commissaires for such behaviour will be supported by race organisation.

A reminder to parents and carers of riders driving in and around the event that you also are required to follow traffic control signs and directions given by traffic controllers. Again, please always be mindful of other road users and local residents.

Emergency Management

An Emergency Management Plan has been prepared to support this event. The principal purpose of the Emergency Management Plan is to detail response expectations to event incidents and emergencies, and to support the safety of event staff, participants and spectators.

Event participants and spectators are required to follow the directions of event staff or emergency response personnel should an incident or emergency occur.

Working With Children

South Coast Cycling supports AusCycling's expectation that volunteers and officials associated with junior events to have a work with children check card. Applications for these cards are free for volunteer organisations and can be obtained by accessing the link below. All junior tour volunteers are encouraged to obtain their working with children card:

<http://www.workingwithchildren.vic.gov.au/home/about+the+check/who+needs+a+check/>

Event Base Areas

Whilst racing remains in progress, all parents/supporters are requested to support the safety of riders and officials by minimising interaction with the race while arriving and departing from event bases.

Vinpac (Saturday Stages 1&2 and Sunday Morning Stage 3):

Please access by using the south approach from Douglas Gully Road. Whilst racing is underway, please access and exit in the opposite direction to the race- depart in a southerly direction (towards Douglas Gully Road) only, and access only from the north.

The Range War Memorial Hall (Sunday afternoon Stage 4):

Please avoid travelling along the course: Penny's Hill Road. The Range War Memorial Hall can be accessed from Willunga on the southern end of Range Road.

Hope Forest CFS Station is located adjacent to The Range Hall. Please respect any signage or directions given to maintain clear access to the station.

Important notes for riders

- Riders are reminded that weather conditions can vary throughout a race. Thus, suitable race clothing should be worn to cater for the conditions and any potential change to the conditions.
- You should also have a change of clothes available at the completion of each race.
- It is the rider's sole responsibility to ensure that they eat and drink in sufficient quantity for the event
- To ensure no riders are left on-course, all riders who abandon a race must immediately return to finish line and formally note their abandonment with Commissionaires.
- Please feel free to communicate any safety concerns to the Race Director should you observe any concerns on race day. Please refer to the South Coast Cycling COVID Safe Plan to see how you can play your role in making this a safe event for riders and spectators and the community
- No riders are to be on the Race Circuits within 10 minutes of Race Start times, or during the events

Important notes for Spectators, Coaches, Handlers & Parents

- For the safety of riders, pedestrians, road users, and the general public, please follow directions of officials. They will be wearing fluorescent vests
- In an attempt to reduce congestion and minimize impact on the community, rider parents and supporters are not permitted to follow the race (unless they are part of the official race convoy). Unauthorised following vehicles may attract a penalty to riders associated with the vehicle
- Spectators are strongly discouraged from travelling on the courses in the same direction as the race. Please be aware that stages 2 (TT) and 3 (McLaren Flat stage) use roads in both

directions. In order to ensure safety of competitors and officials, please make all reasonable efforts to use alternative routes to access vantage points

- When watching events, keep off the asphalt, and stay away a safe distance from the edge of the road-shoulder. Do not watch from bends or in potential vehicle / rider runoff areas
- Allow Race Officials a clear view of finishing riders
-

Start Lists & Race Results

Start lists & race results will be posted to the South Coast Cycling website:

<https://southcoastcycling.org.au/>

Rules & Regulations

This event will be run in accordance with the AusCycling Road Technical Regulations (2024):

https://assets.auscycling.org.au/s3fs-public/2022-12/auscycling-technical-regulations-road.pdf?VersionId=cH_F7H6mANR2.IIi28O59g47Rqg4arYs

Some points that we'd like to highlight or clarify:

- This event will be run on open roads. *All relevant South Australian Road Rules must be followed at all times.* Competitors must keep left at all times and not cross white centre lines. Breaches of the South Australian Road Rules will result in disqualification from the stage and, in the case of repeated offences, the event. Commissaires will provide warnings at their discretion
- Riders are reminded that the AusCycling SA 'red light policy' will be enforced. Riders without operating red lights will not be allowed to start
- Riders to be present at Start Lines at least 10 minutes prior to starting time for Commissaries briefing and to confirm attendance
- Each competitor will be issued with two x body numbers, a frame number and a transponder. Numbers must not be cut, folded or modified in any way and must be placed on the back so as to be visible from behind & the left side. Numbers and transponders must be returned by competitors at the conclusion of the event
- Riders who are found to be littering will be disqualified from the stage, and further penalties or fines could be imposed by commissaires

Roll Outs

Roll-outs will be checked prior to each day's racing. Additional roll-out checks may be undertaken by commissaires throughout the event. Roll out distances are referenced in the AusCycling Road Technical Regulations, section 1.02.01:

- Under 17: 7.0 metres
- Under 15: 6.10 metres
- Under 13: 5.5 metres

For this event, gears will be allowed to be blocked, but must comply with the above roll out distances at all times

General Classification

The overall general classification is time-based, with total elapsed time for each stage counting towards the General Classification, with time bonuses awarded for individual road-race stage (stages 1 & 3) results:

- First place: 5 seconds
- Second place: 3 seconds
- Third place: 2 seconds
- Fourth place: 1 second

No time bonuses will be awarded for time trial stages (stages 2 & 4)

In the case of a dead heat, the time of the final time trial stage will be used to decide the result

General classification results will otherwise be awarded as per the AusCycling Road Technical Regulations

KOM/QOM

The KOM/QOM competition is conducted for Under 17 Men & Under 17 Women only. Place getters are awarded points towards the KOM/QOM competition

KOM points are:

- Stage 1: Boundary of 174 & 150 Moritz Road, 2.4 km past start/finish line
- Stage 3: Approximately 182 Brookmans Road
- Stage 4: Range Hall, top of Range Road Willunga, finish line

KOM point allocations are:

	Stage 1 Laps 2 & 4	Stage 3 Laps 2 & 4	Stage 4 Finish places
First Place	5	5	7
Second Place	3	3	5
Third Place	2	2	3
Fourth Place	1	1	1

There are no time bonuses awarded for the KOM/QOM sprints

Riders must complete the road race stage to be eligible for KOM/QOM points. Riders must attempt to complete each stage to be eligible to start the next stage and be eligible for General Classification ranking. Dispensation for mechanical mishaps or accidents will be at the discretion of the Chief Commissaire.

The Chief Commissaire reserves the right to withdraw riders lagging well behind the main field or if they suffer a mechanical failure. If this occurs, the rider(s) will be given the time of the last rider finishing plus 60 seconds and the rider(s) will be able to start the next stage. Riders who suffer a Medical Issue and have to withdraw from a stage may be able to start the next stage at the discretion of the Chief Commissaire in consultation with the Race Director

Stages

Rider sign-on

All riders will be required to sign on and collect their numbers, transponders, etc, prior to the start of stage 1. Sign on desk will be at the event base at Vinpac International on Douglas Gully Road, and will be open from 8:00am

Saturday, 20th April 2024

Stage 1 Road Race

Start Times:

Under 13	9:55am
Under 17 Men	10:15am
Under 17 Women	10:17am
Under 15 Men	10:19am
Under 15 Women	10:20am

Stage 1 (Moritz Road Race):

Start from Vinpac International, Douglas Gully Road

Left (right of way) onto Moritz Road (0.2km)

KOM at top of Brookmans Rd climb (182 Brookmans Rd near Clarendon Hills Winery), laps 2 & 4

Left (right of way) onto Schuller Road (3.9km)

Road continues straight on to Brookmans Road at concrete house (5.4km)

Left (give way) on to Blewitt Springs Road (7.6km)

Left (give way) on to Douglas Gully Road (10.3km)

Finish at Vinpac International, Douglas Gully Road (11.1km)

Under 13 & under 15 categories will start under neutral to ensure maximum distances (per AusCycling Technical Regulations: Road) are not exceeded. Neutral section will extend to approximately KOM point on lap 1.

Stage 2 Time Trial

Start Times:

From 2:00pm

Stage 2 (Time Trial):

Start at Vinpac International, Douglas Gully Road, heading north-east

Continue straight on Douglas Gully Road (0.2km)

Turnaround at end of Douglas Gully Road (before road becomes Clayton Road, surface changes to gravel) (1.6km)

Continue south-west past start/finish at Vinpac (3.2km)

Road continues straight on to Blewitt Springs Road (right of way) (3.9km)

Turnaround on Blewitt Springs Road (before centre island at Whittings Road intersection) (5.6km)

Road continues straight on to Douglas Gully Road (right of way) (7.2km)

Finish at Vinpac International, Douglas Gully Road (8km)

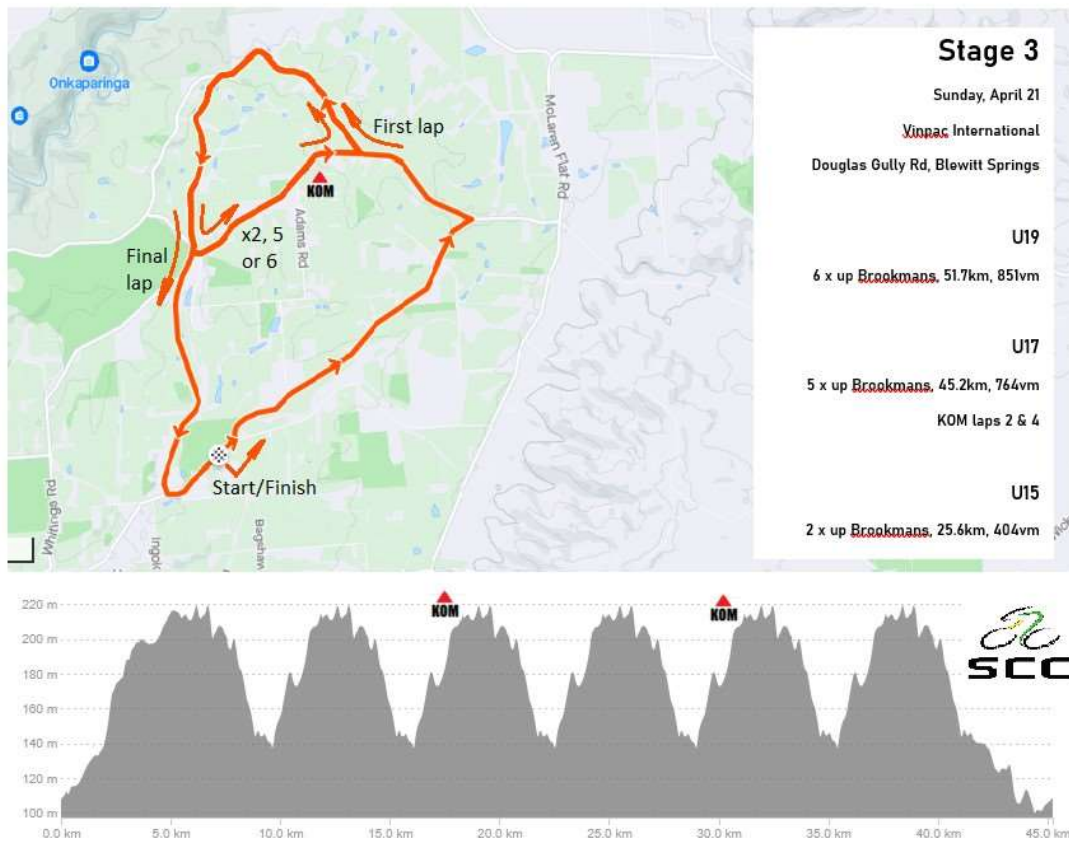

Riders will start at 1 minute intervals, with longer time gaps between categories

Sunday, 21st April 2024

Stage 3 Road Race

Start Times:

Under 19 Men	9:00am
Under 17 Men	9:04am
Under 15 Men	9:08am
Under 17 Women	9:12am
Under 15 Women	9:16am

Stage 3 (Brookmans Road Race):

Start from Vinpac International, Douglas Gully Road

Left (right of way) onto Moritz Road (0.2km)

Left (right of way) onto Schuller Road (3.9km)

Right (give way) on to Schuller Road at concrete house (5.4km)

Left (give way) on to Blewitt Springs Road (7.6km)

Left (give way) on to Brookmans Road (9.6km)

Starts loop (6.4km- U19 x 6, U17 x 5, U15 x 2)

KOM at top of Brookmans Road (approximately 182 Brookmans Road,
Blewitt Springs), laps 2 (18.1km) and 4 (31km)

Left (right of way) on to Schuller Road

Left (right of way) on to Blewitt Springs Road

Left (right of way) on to Brookmans Road

Continue straight on Blewitt Springs Road (U15 at 22.4km, U17 at 41.8km, U19 at 48.2km),

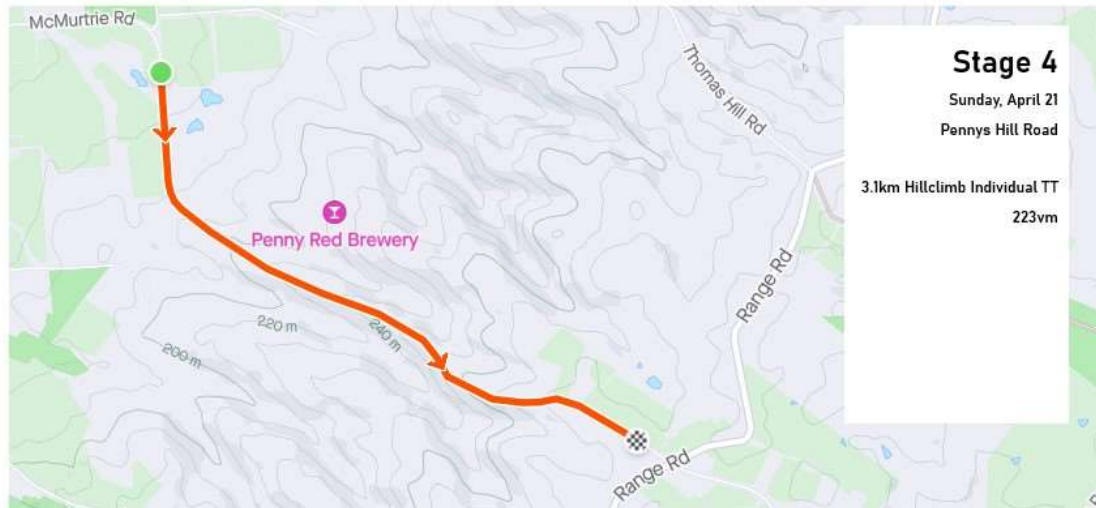

Turn left (give way) on to Douglas Gully Road (U15 at 24.9km, U17 at 44.5km, U19 at
51.0km)

Finish at Vinpac International, Douglas Gully Road

Stage 4 Hillclimb Time Trial

Start times:

From 2:00pm

We wish to acknowledge the assistance and support of the following:

SCC Committee Members

ACSA Commissaires & Race Officials Vivien Bing Sports Trainer Services

ACRM Australia (Gawler - Barossa) Division All Traffic Marshals

CDCC & SCC Members

AusCycling SA

The Onkaparinga Council

South Australia Police (SAPOL) Parents of all the competitors

All our Volunteers

Thankyou Everyone.

Without the huge number of volunteers that support our event, we would not be able to run it so safely for the riders. We look forward to doing it bigger and better in 2024. Take care and travel home safe.
