

E – Town News is back for 2025

Thank you to everyone that supported the SCC & Mt Gambier carnival at the Blue Lake velodrome - two days of great racing with lots of memories made. The carnival continues to strengthen the bond between the clubs while promoting the growth of track cycling in the local community. Thank you to all riders, officials and volunteers for the successful event. And we hear from one family “We have already talked about going next year too. “

Friday 24 - Edwardstown Retro Night

Come along with your retro bike and or in your retro clothing for a great night of racing.

A retro-bike is a type of bicycle that has the look and feel of a classic vintage frame, with modern components. It is a combination of old and new, taking the classic style of a vintage bike and adding modern features such as an advanced drivetrain, disc brakes, and a lightweight frame. Retro-bikes are popular with riders who want to combine the classic look with modern performance.
